

Vacation Bible School

St. John's offers a great week-long, half-day Vacation Bible School program each summer. During this week children age 3 through Fifth Grade come together to explore the Bible and what it teaches us. Adults and teens also join the fun as teachers and volunteers. While the theme of VBS changes from year to year, it is certain to be a week full of music, games, crafts, stories, friendship, and fun. Sign-up forms will be available in the Spring.
